Pather Panchali directed by Satyajit Ray is such a well-told story on simple living and human relationships.

I am a huge Kishore Kumar fan. The track **Kuchh Toh Log Kahenge** resonates with reality.

A quote that inspires me...

When I was five years old, my mother always told me that happiness was the key to life. When I went to school, they asked me what I wanted to be when I grew up. I wrote down 'happy'. They told me I didn't understand the assignment, and I told them they didn't understand life
